Product Information

Application Tape based on a special impregnated paper, coated with a natural rubber (Low Tack).

Suitable for application of large self adhesive lettering, logos, stickers and silk-screen prints, if easy removal is required.

Especially to be emphasised are the following properties:

- The natural rubber ensures a constant adhesion within a small tolerance.
- The Ageing- and UV-stabilised natural rubber can be removed without residues even after a longer period.
- The Application Tape can be rewound easy from the roll and shows excellent lay-flat properties and is dimensionally stable.
- Suitable for wet and dry application.
